#### Utah State Bar New Lawyer Training Program

The Utah State Bar offers a training program to prepare new lawyers for their first year of practice. The program focuses on professionalism, ethics and civility, and helps develop the practical skills and judgment necessary to the effective practice of law. The program also seeks to impart to all Utah attorneys the importance of organizational mentoring.

All attorneys should focus on the creation of their professional identity and the development of that identity over the course of their career. Such development should include the highest degree of professionalism.

## C. Mentoring Preferences:

### i. Specific NLTP-Mentor Identified

If have identified an NLTP-approved mentor to work with, please answer “yes” to this question.

\*Please note that you will not be automatically connected with the mentor; you will still need to send a mentor request through the system. If they are not available, you will need to search for another mentor.

See “HOW TO: Using the NLTP Database To Search For A Mentor” PDF under the [Resources](#) tab.

The screenshot shows a web form with three tabs: "Basic Info", "Education and Experience", and "Mentoring Preferences". The "Mentoring Preferences" tab is selected and circled in red. Below the tabs, there are several sections:

- Legal Interests \***: A dropdown menu with the text "Select one or more..."
- What do you hope to accomplish through this mentoring program? \***: A large text area for input.
- Have you identified a NLTP approved mentor you will be working with? \* (Visible to admin only)**: A dropdown menu with "Yes" selected. A red arrow points to this dropdown.
